	<p>After clicking "register", you will be taken to the myTeracom Learning Management System Catalog where you may make your course or certification package selections. You will be asked to sign in to complete your registration. If you don't have a myTeracom user account, it's fast and easy to sign up and provides instant access.</p>
---	--

All prices are in US\$. Payment by VISA or MasterCard is preferred. [Other payment options are available.](#)

The "standard" option allows you to take a course once and includes one sitting for a course exam. If necessary, a course exam retake may be purchased for \$10.

The "unlimited" option allows one student to repeat a course, and to repeat the course exam. [details](#)

The "standard" and "unlimited" options for each course are separate Course Numbers in the Catalog. \*Course Numbers on this price sheet are the Standard option Course Number.

The "5 students unlimited" option is obtained by entering a group registration for five students and applying a coupon at checkout to obtain the listed price. [Coupon numbers and instructions.](#)

Certification Packages appear as items in the Catalog.

All other packages (under the "More Packages" heading above) are implemented by adding the specified

courses to your shopping cart, then applying a coupon at checkout to obtain the listed price. [Coupon numbers and instructions](#).

If you have any questions, please [contact us](#).

We would be pleased to register you over the phone if that works better for you.

Thank you for your business! We appreciate your patronage.
