To keep your purchase cost as low as possible, all three Teracom textbooks:

1. Fundamentals of Telecommunications,
2. Understanding Data Communications, and
3. Understanding IP and Networking,

are not sold separately, but are bound into a single volume called *Telecom 101*, with 400 pages, over 175 diagrams and a full index, all for one low price.

Each volume comes with a free bonus electronic version, loadable on your Windows laptop or desktop, with fully-hyperlinked table of contents and searchable, ideal for reference at home or in buzzword-filled meetings.
