COMPANION REFERENCE TEXTBOOK

"TELECOM 101 SUPERSIZE" – see www.teracomtraining.com/textbooks.htm for details. Many students asked for a handbook with an index to use as a day-to-day reference after the initial training. In response, we developed a textbook based on our core training called *Telecom 101*. 3rd edition published 2008. 400 pages, 175 diagrams. This covers the material in Core Training Package 1 and our instructor-led Course 101.
