Bonus TCO Certification Packages Included

Sets of Online Courses and corresponding TCO Certifications are included with all seminars, both in-person and live online as a free bonus, as follows:

Course 101: CTNS Certification Package.

Course 130: CVA Certification Package.

Course 111 BOOT CAMP: CTNS, CVA and CTA.

Course 133: CVA Certification Package.

All other courses: CTNS.

There are no time limits or expiry dates on the courses.

See the certification descriptions for more information.

All prices are in US\$. Payment by VISA, MasterCard, AMEX, PayPal, debit cards and bank transfer, cash, checks, Government Purchasing Cards and Purchase Orders from government and large companies in the USA and Canada are all welcome.

Please contact us for US Government Pricing (GSA Contract GS-02F-0053X).

The group discount pricing is obtained by entering a group registration and applying a coupon at checkout to obtain the listed price. Coupon numbers and instructions.

Group registrations for in-person or live online can be easily set up following the onscreen directions starting at teracomtraining.com/register_for_public.htm

We would be pleased to set up your group in the system if that works better for you.

All courses include a high-quality color printed course book.

The Bonus TCO Certification Packages included as support materials listed above are sets of online courses and TCO Certification Exams, described at teracomtraining.com/certification.htm

These support materials are concessions, i.e. bonus items at zero additional cost. No price adjustments are made if they are not used by the students for any reason.

See teracomtraining.com/specials.htm#free-bonuses for instructions on getting the free bonus online courses, lessons and certifications.

If you have any questions, please contact us.

Quality you can trust

Join thousands of satisfied customers including the FBI Training Academy, US Marine Corps Communications School, US Army, Navy, Air Force and Coast Guard, CISA, DISA, DoJ NSD, NSA and CIA, IRS, FAA, DND, CRA, CRTC, RCMP, banks, power companies, police forces, manufacturers, government, local and regional telcos, broadband carriers, individuals, telecom planners and administrators, finance, tax and accounting personnel and many more from hundreds of companies. We've been in business since 1992.

Benefit from decades of knowledge, insight and experience distilled into clear lessons designed for non-engineers, logically organized to build one concept on another... in plain English. Teracom's GSA Contract supplying this training to the US government reflects approved quality and value that you can depend on.

Thank you for your business! We appreciate your patronage.

Effective 2024-09-01. Supersedes and replaces all previous price lists.
